

## **Art Guild Donations Guidelines for Art Supplies – Policy**

While we deeply appreciate your willingness to donate art supplies, the Art Guild can only accept certain items. Contact the Art Guild prior to dropping off any donations. All art supplies will be viewed prior to accepting any donations.

**Contact the Art Guild at (931) 707 7249 and provide your name / phone number. An art guild member will contact you about your donation.**

Consider donating art & craft supplies to local organizations or groups: preschools, daycare centers, youth centers, Scout Troops, School Teachers, (particularly elementary teachers or art teachers), and church nurseries

Just like the Art Guild we recommend calling first before taking a donation to a local organization. Make sure they need/want what you have to offer.
