## THE ART GUILD AT FAIRFIELD GLADE

### SCULPTURE GUIDELINES FOR ARTISTS

Any artist may submit art to be exhibited on the grounds of the Plateau Creative Arts Center, 451 Lakeview Drive, Fairfield Glade, TN 38558. Such art may be offered for sale or wholly donated to The Art Guild at Fairfield Glade (“The Art Guild”). Membership in The Art Guild is not required. Artists will submit a proposal including artist information, pictures or drawings, materials/media, dimensions, method of securing the piece in place, estimated value or sale price, and a waiver indemnifying The Art Guild of legal and financial liability.

Since installation is such a big part of exterior art, those costs will be borne by the artist. The plinth/pedestal/installation platform provided by the artist will provide stability and security from theft and storm. It will include a plaque with title, artist name, month and year installed and, if applicable, the sale price of the sculpture. The plaque will be at least 2” x 3” with a maximum size of 4” x 6” and able to withstand weather conditions. The sculpture will be signed by the artist, either on the plinth, pedestal, or installation platform.

Art offered for sale: In setting a sale price, the artist should remember that the price **includes** State and local sales taxes and a commission to The Art Guild. For Art Guild members, the commission to be paid to The Art Guild is 20% of the purchase price and for non-members the commission to be paid to The Art Guild is 40% of the purchase price. When the piece is sold, shipping/transportation will be covered by the artist.

Except for art wholly donated, upkeep of art and its installation is the responsibility of the artist.
